

NEO Manufacturing Experts

Thrive with Continual Improvement

ANG-Marketing.com/Manufacturing-Recovery

HERE'S HOW WE CAN HELP YOU RECOVER AND THRIVE:

DEVELOPED BY:

ANGMarketing Group, LLC

Our NEO Manufacturing Experts have senior level operations experience and skills in real world factories. They use proven industry best practices and have "walked" the manufacturing processes, which are part of your daily business.

WHY SHOULD YOU WORK WITH US?

We start by understanding your operations and what keeps you up at night.

All solutions are custom developed for your situation: Not off the shelf.

Our NEO-based team is "hands-on" helping your team to succeed.

PROCESS IMPROVEMENT

Lean methods and operations tools for eliminating system performance gaps and typical process waste.

5S + SAFETY

Organize operations while increasing output and adding safety.

QUALITY CONTROL

Improve your quality control system to reduce waste and redundancy.

MAINTENANCE CONTROL

Implement a formal maintenance program for optimal plant capacity.

VALUE STREAM (PROCESS FLOW) MAPPING

Recommend process for improved "future state" with increased throughput.

VISUAL SYSTEMS + CONTROLS

We can help your team create a visual system which is quick and easy.

TECHNICAL TRAINING / BEST PRACTICES

Identify, develop and deliver training to your team that fits your specific needs.

PROJECT FACILITATION

Our team doesn't just develop a recommendation and leave. We help you be successful by implementing the solution while closely working with your employees.

LEAN CULTURE IMPLEMENTATION

Effective Lean approach based on proven waste elimination and improvement tools.

NEO Manufacturing Experts.
Experienced Industry Problem Solvers.

NEED HELP ACROSS MULTIPLE FUNCTIONS?

Ask about our comprehensive Gear-Up roadmap
for your NEO Manufacturing Recovery.

The Coronavirus pandemic and the impact on your company has radically changed the rules. Survival is certainly important, but a long-term recovery plan is critical when we start moving toward the new normal. It's smart to develop a new strategy for the vital parts of your business to ensure future success.
